Hand Wash Stations

Ground Decals

Informational Signs

Floor Decals

Customize these to your needs. These decals are made of self-adhesive vinyl and laminated with non-slip laminate that meets OSHA Safety Regulations. Use them to direct, inform and keep your students safe.

Please read before entering.

- Face coverings are required in all public spaces on campus.

- Do not enter and contact your health care provider if you have:
 - Fever
 - Cough
 - Shortness of Breath

- Please keep 6 feet between yourself and others.

Physical distancing and sanitization practices are in compliance with CDC guidelines.

Maximum occupancy for this space is person/s.

- Face coverings are required

- Please maintain 6 ft. physical distance.

Wall and Window Decals

Customize these to your needs. These decals are made of self-adhesive vinyl. These decals can be optionally laminated with our Virus Defender anti-microbial over laminate for added safety.

Sanitizer Stations

Our Sanitizing Stations can be customized and we have several different configurations. Give your students areas where they can, clean their hands when getting to a sink to wash hands may not be available. Set some up at your entrances to help insure the students safety.
